It is planned that this will be located where his parents live and he already has the land for the project. His parents would be key people involved in running the project. Should this project for whatever reason not get off the ground the funds would go to a project his own Church in Nairobi is involved in that supports internally displaced people. We would welcome donations of nearly new clothes, bric-a-brac, children's toys, books & DVD's and cakes and buns. There will also be lunches available. ### ❖ Disciple Course

The Beacon Church is running a new Disciple course, led by Neil Craig. There will be an introductory information meeting at The Beacon at Broomhill on Tuesday 5<sup>th</sup> October at 7.30pm. Please come along, or call [REDACTED] for more details.

Disciple has transformed the lives of individuals and congregations in many parts of Great Britain and across the world. It has drawn people closer to God, deepened their discipleship and opens their eyes into the way that God is leading them.

The course moves through the biblical story from creation in Genesis to the New Jerusalem in Revelation. There are theme words and verses, key characters, events and topics which fix the sequence of the biblical story in the minds of the participants. Disciple is studied in a group of up to ten, with two group leaders. It meets weekly over a year (with space for holidays etc). Each group meeting begins with a time of devotion and a short DVD presentation, before questions and activities applying the Bible reading to the context of the participants' daily lives. As part of Disciple everyone commits to a daily personal Bible study of 30-45 minutes, which is then picked up in the weekly meetings. Everyone receives a manual, with the reading framework, covering 70% of the Bible and space for writing notes. Leaders have a facilitation manual, but are also group participants.

### ❖ Olympics 2012 –More Than Gold

Churches are being invited to take part in nationwide briefing events on how they can be involved in the 2012 Olympic Games. The nearest to us will be held at 7.30pm on 20<sup>th</sup> October at Sheffield Wednesday Football Ground. The 90 minute briefing will:

- Explain how churches responded at past Games through outreach, hospitality and service
- Highlight tested programmes and resources for all ages, available through the More than Gold programme
- Identify the best way for churches to be involved-and dream a little of what could be done.
