### ❖ Community weekend

On 23<sup>rd</sup> – 25<sup>th</sup> November, a small team from Cliff College will be helping us widen the cross-section of the Crookes community who know what Wesley Hall has to offer them. This will include politely asking people about their perceptions of the church and us discovering how we can better build community, love all people and share our faith. If you don't mind, or even enjoy, chatting to people we will need some assistance with this.

Early evening on Sunday 25<sup>th</sup> November, we will be hosting a free community magic show, headlined by the excellent Steve Macbeth and designed to appeal to as broad an age group as possible. Do think about who you could invite to this.

We will also be holding a bring and share lunch after our morning service that day, at which the Cliff students will share what they have heard.

More details to follow – watch this space!
