❖ **Prayer Ride - On the 87 Bus**

Why Prayer? Prayer is the bedrock which underpins all our activities. Circuit wide events can help us to understand more about the other parts of the city, as well as giving us a reason to visit those areas that may be less familiar. Why the bus? Travelling on the bus gives you time to look around and see the city in a way that is more difficult when you are driving. It is also better for the environment! What can I do?

- Use the buses to get to the nearest church
- Use the bus to get from one church to another
- Go to the start of the bus route and travel the whole route
- Chat to the person next to you about their journey – where are they going?
- Take an item for a food bank being run from one of the churches near the route
- Pray, being sensitive to those around you.

What next? On *Monday 14th September* we are praying the 87 Bus Route (High Green to Lowedges). To find out more, to make suggestions for routes or to get more involved contact Katrin Hackett (email [REDACTED]).

❖ **Dungworth Methodist Church Coffee Morning**

There will be a Coffee Morning with Bring and Buy and musical entertainment by Cocklebread at Dungworth Methodist Church between 10:00am and 12:00noon on *Saturday 19th September*. Proceeds are in aid of the Little Hearts Matter Charity which offers support and information and raises awareness of those affected when a child has only half a heart.

AND FINALLY...

❖ **Roof Works Update**

The scaffolding is now up and work on the roof is due to start tomorrow! Please continue to pray for the project, that the work will progress smoothly and there would be no issues with claiming the grants that we have been awarded. Thanks again for all your support in helping to raise the £265,000 needed to complete these repairs. We are nearly there!
