## AND FINALLY...

### ❖ A word from our Children and Families Worker, Liz:

I have recently completed my first essay for the Children's Mission and Ministry course I am studying at Cliff College, alongside working for Wesley Hall. If anyone would like to read it, they can do! It was about how children learn and how that should impact the church's attitude to and interaction with children. I can email you a copy or print one out for you. Email [families@wesleyhall.org.uk](mailto:families@wesleyhall.org.uk) or ring 07412124310 if you are interested.

### ❖ Community weekend – thanks

A big thank you to everyone who helped out at the recent community weekend events. During the course of a busy weekend we enjoyed a light-themed Messy Church, a shared lunch and a well-attended evening of illusions and life stories. Members of our congregation and theology students from Cliff College, with only a plentiful supply of cakes for protection against the autumn weather, talked to 70 members of the public about their impressions of Wesley Hall. Watch this space for more about what we learnt.

### ❖ Movember

Andrew Gray and James Simms would like to thank everyone who sponsored them in their moustache growing efforts last month. The funds raised will be directed to programmes run directly by the Movember organisation and their men's health partners, Prostate Cancer UK and the Institute of Cancer Research. They work with these partners to ensure that Movember funds support a broad range of programmes in the areas of awareness and education, survivorship and research. Andrew raised £267 towards this (and it's not too late to improve even more on this figure!).

The editor for the month of December is Andrew. Please place items for the newsletter in the pigeon hole, send an e-mail to [newsletter@wesleyhall.org.uk](mailto:newsletter@wesleyhall.org.uk) or call Andrew on [REDACTED] by Wednesday evening.
