## COMING SOON...

### ❖ **Help to shape this year's 3Generate**

3Generate is the Children's and Youth Assembly of the Methodist Church. This year it is being held from 16-18 November. The Children and Youth Team are in the process of hearing views of children and young people which will help shape the event. There are a number of resources to help you with this.

- The Big Sleepover has resources for hearing the voice of children and young people if you are organising a residential sleepover event.
- The Big Session is a ready-made plan, allowing young people to be consulted in an hour's session.

Also there are online surveys for children and young people to complete. These can be done by the young people at home, or you may choose to look at the questions and discuss them with your young people first. Please pass on the links to the children and young people so they can tell us their views direct. For more information about 2012's 3Generate Children's and Youth Assembly including booking details, click [www.childrenandyouth/worker](http://www.childrenandyouth/worker).
