### ❖ Children & Families Worker at Wesley Hall

We have advertised the post of part-time Children & Families Worker at Wesley Hall. The closing date for applications was 8<sup>th</sup> August and it is hoped that the interviews can be held on Wednesday 22<sup>nd</sup> August. Please pray that God sends the right person to us for this important part of our mission.

### ❖ Additional Safeguarding Training Date

The last Safeguarding training session will be held here on 30<sup>th</sup> August. If you have any questions or would like to book a place, please contact Julian Penfold on (0114) 266 8729.

Thursday 30<sup>th</sup> August 7:00 – 9:30pm Wesley Hall

### ❖ Church Hall Tables

The Kumon group that now meet at Wesley Hall to provide maths and English tuition on Tuesday and Thursday afternoons are struggling to get chairs and tables set up in time for their Thursday meeting. Is anyone available to pop in on Thursday lunchtimes to put out some chairs and tables for them? It would only be for the next 3 weeks (30<sup>th</sup> August, 6<sup>th</sup> September & 13<sup>th</sup> September) since the Lunch Club are able to leave the tables up when they return on 20<sup>th</sup> September and it would be great if we could help them out. Please see Matt for more information (or to volunteer)!

### ❖ Update on Roof Works

The total cost of the works required on the Wesley Hall roof is around £280,000. Through the 20 in 12 challenge we have raised over £20,000 of this and the Circuit have approved a grant of £65,000. We have now heard back from the National Churches Trust and Methodist Insurance, neither of whom awarded us a grant. Over the next few months, applications for grant assistance towards the roof works will be submitted to the Sheffield District, Sheffield Town Trust, Methodist Fund for Property, All Churches Trust, WREN, Veolia and English Heritage. We will then review the situation early next year (when will have heard back from most of these organisations) and see how much money is available. Ideally we would like to go ahead with the full project but if there is a shortfall in the funds, we will work with our architect to address the most urgent issues.

Please can you pray that:

- our applications will contain the information that each different funder is looking for
- our applications will be successful!
- we will be awarded enough money to make the roof watertight again
- there will not be any further leaks or damage over the winter period

#### ❖ **Hearing Aid Loop**

Our hearing aid loop has been looked at this week so the volume received in hearing aids should now be much louder. If you would like to use the hearing loop, simply switch your hearing aid to the 'T' setting.

#### ❖ **God in the Everyday**

God in the Everyday is the first in a new series of booklets encouraging church communities to re-establish class meetings. It provides pointers for getting small group meetings started and a brief introduction to the heritage of classes within Methodism. Further titles are to be released over the coming year. We have some copies of God in the Everyday available for home groups that are interested in using them. If you would like some, please see Matt.
