❖ **A Notice from our Minister Rev John Simms**

As 2011 has been designated the Year of the Bible, we will begin the year on 2nd January looking at the Bible and what it means to Christians.

On 9th January the focus of our time together will be Prayer. Some of you will know that we have begun to hold prayer services on Sunday evenings, but it was felt that it would be good for the morning congregation to share such an event.

From 16th January to 20th February we will be working our way through the book of Nehemiah. We had initially planned to do this in September/ October 2010, but decided in the end to do it in January/ February. It is hoped that the Fellowship groups will also follow suit and consider the passages in their meetings during the week following each sermon.

27th February sees a visit from James Greig from Leprosy Mission.

So, in summary:
