❖ Fellowship Group

Our Thursday Fellowship Group has moved to Wednesday (but still at 8pm and via Zoom) for the next few weeks. This Wednesday we are continuing our series called, 'The 'I AM saying of Christ,' including ones such as the bread of life, the light, the good shepherd, the alpha and omega. These were radical statements at the time but are foundational to us in getting to grips with our faith as followers of Jesus. All are welcome, and each week is an individual study so anyone can join in with any of the sessions. Please ask Andrea for more information or for the Zoom details.

❖ 40 Acts

40 Acts started with a simple idea from Stewardship to commit to 40 days of giving out, not giving up over Lent, to put others before ourselves and to walk in the footsteps of Jesus and follow his call to love our neighbours. They are not sharing new acts this year, but since we have not followed this before, we will be sharing the links from last year (which means that some of them may need adapting in order to be COVID safe). The acts for this week are below (each Act has a green, amber and red suggestion, and each will take an increasing amount of time and/ or money):

Monday	11) Friend Indeed	Thursday	14) Befriend
Tuesday	12) Chocolate Tuesday	Friday	15) Watch and Pray
Wednesday	13) Speak Up	Saturday	16) Neighbours

❖ Dial-a-Prayer & Podcast

During lockdown we (the Methodist Church) heard that many people didn't have access to online services so we set up free phone lines that are updated on a Thursday with a new prayer and our podcast. We are delighted that nearly 6,000 people have used this service and would ask you to share the numbers with anyone you know who might not wish to use online services.

COMING SOON

❖ Leadership Team

The Wesley Hall Leadership Team meet monthly to pray, share ideas and plan/review church events and their next meeting is on *Monday 8th March*. Please pray for the meeting and let a member of the team know if there is anything that you would like to be discussed.

❖ Vision Exploration Meeting

Following on from our very positive congregational meeting in January, we need to look at things in a little more detail and start to flesh out the community chaplain idea and explore how it will fit in our current structure, or if that structure needs to change. As part of this meeting we will be undertaking an organisational risk assessment to assess our strengths and weaknesses to help us work out if there are any gaps that need filling. We can then move on to brainstorm what we do now, what we would like to happen in the future, and how we need to organise ourselves to get there. This meeting is open to anyone, not just Church Council or Leadership Team members, since this is all still very new and we want to get as many ideas, suggestions and opinions as we can! If you would like to be a part of this, please let Matt know so that he can then find a time to meet that suits everyone.

❖ Arise Sheffield

Please consider getting involved with this prayer for Sheffield initiative being organised by Sheffield Together (www.sheffieldarise.org), on their website is a short video that explains what the prayer walk is about. The aim is between 1st to 31st March for someone to do a prayer walk on every road in Sheffield and then an Easter card will be delivered by Royal Mail to each household in Sheffield with information for people who want to know more. You can sign up on the website now and from 1st March say which road you will do a prayer walk on. I think this is a brilliant idea as lockdown is making more people open to God, thanks Andrea.

❖ Fundraising for MHA Care Homes

Jonathan Buckley, the Circuit Youth and Children's Project Co-ordinator, is raising money to support MHA care homes in Sheffield. Their staff would love to be able to buy some more robotic cats and dogs and other activity based equipment for their dementia residents here in South Yorkshire. Each one costs around £100 each and every penny donated will go towards buying some for homes local to us. He has set up a JustGiving page where you can donate or get some more information which can be found at www.justgiving.com.

❖ Body Shop at Home

I am a consultant for The Body Shop at Home and would love your support with my new venture! The Body Shop uses community fair trade ingredients and all are cruelty free.
