1 Thessalonians 4.13-18

When sad things happen, Jesus gives us hope.

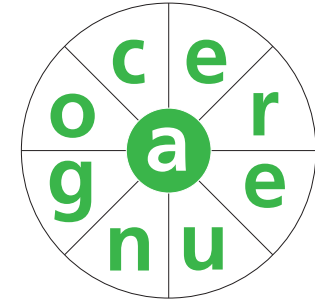

Draw

Add a sad mouth and some eyes to this face. Now turn it upside down – what happens?

Write

Can you make at least eight different words from this word wheel? Each word can only use a letter once and must always use the central letter. We've given one word to start you off!

near

Can you put all the letters together to make a nine-letter word? (clue: it's what we do to make each other feel better).

Family time

Talk When have you felt sad about something but still had hope?

Do Read *The invisible string*, Patrice Karst, and talk about it together as a family.

Pray Take turns for each member of the family to say one thing they are hoping for. Bring this time together by thanking God for hope.

Puzzle

Can you match each word with the one which means the opposite? Draw a line between each pair.
