## THIS WEEK

### ❖ New Ways of Community Engagement

As the summer holidays begin and we look forward to time off and time away, we also need to think about what will happen in September. Schools will be opening for all children, but many of our usual groups such as our Toddler Group, After School Drop Inn and Lunch Club, are unlikely to start back at the same time. We would therefore like to find new ways that we can support and engage with community members of all ages, from babies to older people, while following all current guidelines to control the virus.

Please consider this over the summer and if you have any ideas, let Matt know.

### ❖ Boys' Brigade

Joe Hamill has been leading the Boys' Brigade company at Wesley Hall for a number of years now. He is expecting his second child in September and is (understandably!) stepping down. We would like to offer our thanks and congratulations to Joe and if you know of anyone who may be interested in taking on this role, please let Matt know.

## PRAYER POINTS

- ❖ For our church, community, country and the world as we deal with and respond to the coronavirus outbreak
- ❖ For Louise, now back home after so long in hospital.
- ❖ For Sally, as she continues to recover at home and awaits further hospital treatment.

- ❖ For our building users, as we prepare to welcome some of them back soon. For the risk assessments that need to be approved, the signs and other measures that need to be installed, and for those coming into our building, that they would be safe.

**If you have any prayer points to include in the newsletter, please pass them on to the editor (see contact details at bottom of page).**

## **AND FINALLY...**

### ❖ **Circuit Mental Health Consultant**

Tim Jansen, has started as the Mental Health Consultant for the Sheffield Circuit. Over the coming 6 months, together with a work-group from the circuit, he will be supporting and growing all things mental-health within the circuit. Keep your eyes on the newsletter as I will be posting updates as well as dates for online training sessions.

There is a phone number and e-mail address below that you can use to contact me, however I cannot always answer the phone due to other work commitments, so if I'm unavailable leave me a message and I'll come back to you as soon as I can. In case of emergencies, always call relevant emergency services 111/999.

Thanks, Tim. (Tel: 07570 874490)

### ❖ **Online Mental Health Awareness Course**

At a time of global pandemic and lockdown, concerns of mental health related difficulties have become ever more apparent.

The Sheffield Diocese and Sheffield Methodist Circuit, therefore, are collaborating to offer a 3 part online mental health awareness course.

This course will take the place of the mental health awareness day which has been led in the last few years.

During these 3 sessions we will look at mental health in general, explore our faith dimension in the context of mental health and will have plenty of space for Q & A.

Participants are expected to attend all 3 sessions as they form one narrative, with attendance at session 1 compulsory. Places are limited and therefore your commitment to attending all 3 sessions would be appreciated.

The sessions are offered without charge to anyone who is interested. Booking is essential.

The sessions will be run online via Zoom on the following dates and times: *14th, 21st, 28th September, 7pm-9pm.*

For bookings or questions please contact Carol Arber: [jacarber@virginmedia.com](mailto:jacarber@virginmedia.com) or Tel: 07725 897 397.
