## **AND FINALLY...**

❖ **A Big (Lunch) Thank You!**

A big thank you to everyone who helped at or came along to the Big Lunch last week. We fed around 200 people and the event was a great success. We do have some frozen burgers and sausages left over and if you can make use of them, please see Matt Irons.

## **PLEASE PRAY FOR IRAQ**

Up to 1,000 Christian families have fled Iraq's second largest city of Mosul after it was taken over by militant jihadists. Taking only what they could carry, Christians fled to the relatively safe 'Kurdish' region or to the Christian Nineveh district in the countryside.

The militant army, called the Islamic State in Iraq and the Levant (ISIS), took control of Mosul early on 10 June, prompting a mass exodus of citizens. Reports from the BBC indicate that up to 500,000 people have now fled the city.

The situation in and around Mosul is becoming much worse, said Open Doors' representative for Iraq. "Mosul soon will be emptied of Christians. This could be the last migration of Christians from Mosul."

Open Doors sources report that some 200 Christian families are sheltering in the monastery of Mar Mattai some 12 miles from Mosul. A further 50 families are sheltering in a monastery in Alqosh. Others have fled further afield to Erbil, capital of the Kurdish autonomous region of Kurdistan, where they are taking refuge in local churches.

"We left the food and ran," said one mother of four. "We didn't even stop for our shoes, we fled in our sandals! We just made sure to take our IDs and important papers. The children were very scared."

A church leader shared: "Pray that we can return quickly to Mosul, because the future is unknown for us all. How can we live, find work for an income? Pray for peace in Iraq," he added. "We have had enough of wars. Nowhere is safe here."

**Please Pray:**

- That those who have had to flee their homes will find a safe place to stay
- For protection for the few Christians who still remain in Mosul
- That the Iraqi government and other international leaders will have wisdom in handling the crisis. Pray for an end to all bloodshed and instability in Iraq and the wider region.

With many thanks for your prayers, **Open Door Prayer Team**.
